Highway 1 Gourmet Adventure

Our trail heads north from Perth to Kununurra through the wide open spaces of north-west Western Australia. Along the way on Highway 1 we have selected various producers and artisans to visit...adding variety and interest as well as a welcome break along the way.

Hi everybody! We have headed west these holidays and doing a road trip from Perth to Kununurra. Made a trail so we could visit local food and wine producers along the way. Will send messages and photos as we go. Cheers, Phil & Mary
